

LOCAL MARINE NOTICE

Number: 37-2018 Date: 26 October 2018

BERTH CLOSURES - FENDER UPGRADE

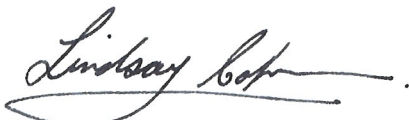

Date: 26 October 2018
AUS Chart: AUS 51

Mariners and Port Users are advised that Berth 4 and 5 will be closed to all operations over the next seven months in accordance with the schedule below, for essential fender maintenance and upgrades.

These maintenance periods are aligned with the tides required to accommodate the works planned and are not flexible. The maintenance period is inclusive of the start and end dates.

Please note the dates carefully and plan your shipping schedules around these dates to avoid unnecessary berthing and shipping delays.

Berth	Start Date	End Date	Remarks
2018			
4	24 Nov	29 Nov	Headstock 102 / No fuel at Berth 4 for this period
4	8 Dec	13 Dec	Headstock 93
2019			
5	10 Feb	26 Feb	Headstock 85, 86 & 87
5	6 Mar	13 Mar	Headstock 82
4	5 April	11 April	Headstock 94
4	11 May	16 May	Headstock 95

Lindsay Copeman
HARBOURMASTER

Marine and other port users are requested to notify the Kimberley Ports Authority on the discovery of new dangers or suspected dangers to navigation.
