

LOCAL MARINE NOTICE

Number: 38-2018 Date: 19 December 2018

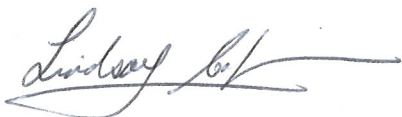

VIRTUAL AND SYNTHETIC NAV AIDS

Date: 19 December 2018
AUS Chart: AUS 51 / Port and Terminal Handbook

Port Users are advised that all synthetic and virtual aids to navigation listed in the Port and Terminal Handbook have been permanently extinguished.

New virtual aids to navigation are under review and may be implemented following the Port's Channel Optimisation Project in mid-2019.

Local Marine Notice 09-2016 is hereby cancelled.

Lindsay Copeman
HARBOURMASTER

Marine and other port users are requested to notify the Kimberley Ports Authority on the discovery of new dangers or suspected dangers to navigation.
