

MEMORANDUM

TO: All Port Users
FROM: Tim Hungerford-Morgan
DATE: 9 May 2016
SUBJECT: Change in bunkering operations effective 6 May 2016

Dear Port User

Kimberley Ports Authority (**KPA**) wishes to announce the inauguration of a new service provider in the Port of Broome, delivering ULP and Jet A1 fuels.

Fuel Trans Australia, via their KPA and DG licensed provider will provide;

- All KPA Bunker Permit requirements, and
- ULP and Jet A1 deliveries and hose transfers.

Fuel Trans Australia require that you open an account by accessing their webpage - www.fueltrans.com.au

For further enquires please contact **Matt Foster, Broome Depot Manager**, PO Box 565, Broome WA 6725 on mobile 0428 858 378

NB: This email forms a reminder that there are only two methods of delivering low flash point fuels in Port of Broome waters.

- Via a KPA and DG licensed provider as above, or
- Via crane (either KPA or ships stores crane) certified two hundred litre drums, for an internal ship transfer.

Yours faithfully

Tim Hungerford-Morgan
