▶ For the last 14 days you have:

- been isolated from the general public;
- not had any signs or symptoms of human coronavirus

▶ You are entering the Designated Biosecurity Area from a Designated Biosecurity Area in the Northern Territory or South Australia

▶ You will be transiting through the Designated Biosecurity Area, using the most direct route, without coming into contact with another person

▶ Give details of the situation you have ticked. You may be asked to give further evidence.

If none of these apply to you and you wish to apply for a **Special Permission**, please complete the attached form

Health and travel history requirements

You are **not allowed** to enter the Designated Biosecurity Area if any of the following applies to you or any family members travelling with you (unless you are escaping an immediate threat to life). **Tick** if any of these applies. See *end page for full definitions*.

Travelled overseas in the last 14 days

Currently showing Symptoms

Been exposed to a person with human coronavirus, without adequate personal protective precautions

Details: _____

Travel to remote communities

In addition to the restrictions on entry into the Designated Biosecurity Areas, travel restrictions under the *Emergency Management Act 2005 (WA)* apply to remote Aboriginal communities in Western Australia.

These restrictions can be found at: <https://www.wa.gov.au/soedeclarations>

Self-isolation after entry

If you normally reside in the Designated Biosecurity Area and are returning home, you will be required to go into isolation for 14 days unless you are engaged in an Essential Activity.

Please follow the 'Self-isolation Following Interstate Travel Directions' online at: <https://www.wa.gov.au/soedeclarations>

Declaration

This information is required under the *Emergency Management Act 2005 (WA)* and the *Biosecurity Act 2015 (Cth)*. Failure to provide this information, or the provision of false or misleading information, is an offence punishable by a fine or imprisonment.

This information is collected and will be used for the purposes of assisting the State Emergency Coordinator to exercise powers and perform functions under the *Emergency Management Act 2005 (WA)*, in relation to the novel coronavirus COVID-19.

Family member details 5

▶ Name <input type="text"/>	▶ If by plane or rail, seat number <input type="text"/>
▶ Date of birth Day Month Year <input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/>	
▶ Email (Separate contact details not required if traveller is under 18 and travelling with an adult) <input type="text"/>	▶ Mobile number <input type="text"/>

Important Information: If there are more than five people travelling, please complete an additional form for the remaining passengers

Application for Special Permission

If you do not fall within one of the categories of authorised travel, you may apply for a Special Permission.

To apply, complete the declaration below and the primary entry form, and either:

- email **both** forms to socc.covid19smail@police.wa.gov.au; or
- provide **both** forms to an officer authorised under the *Emergency Management Act 2005* (WA),

You may not enter the Designated Biosecurity Area unless and until you are advised that the Special Permission has been granted.

Declaration

I, _____ (print your name), hereby apply under section 5(4) of the Biosecurity (Human Biosecurity Emergency) (Human Coronavirus with Pandemic Potential) (Emergency Requirements for Remote Communities) Determination 2020, made under the *Biosecurity Act 2015* (Cth), for Special Permission to enter the **Kimberley / East Pilbara / Ngaanyatjarraku** Designated Biosecurity Area (circle the relevant area).

I confirm that I meet **all** of the following criteria:

- immediately before entering the Designated Biosecurity Area, I do not have any of the signs or symptoms of human coronavirus with pandemic potential;
- in the 14 days immediately before the entry, I have not been exposed, without adequate personal protective precautions, to human coronavirus with pandemic potential;
- in the 14 days immediately before the entry, I have not been outside Australian territory;
- I am not entering the area wholly or partly for the purpose of engaging in an activity in the area that is prohibited by or under an Australian law;
- my entry to the area is not otherwise prohibited by or under an Australian law.

These are the reasons why I believe I should be allowed to enter the Designated Biosecurity Area:

This information is required under the *Emergency Management Act 2005* (WA) and the *Biosecurity Act 2015* (Cth). Failure to provide this information, or the provision of false or misleading information, is an offence punishable by a fine or imprisonment.

This information is collected and will be used for the purposes of assisting the State Emergency Coordinator to exercise powers and perform functions under the *Emergency Management Act 2005*, in relation to the novel coronavirus COVID-19.

Definitions

Designated Biosecurity Area

Essential Activity

Essential Activity in a designated area means any of the following:

- (a) providing any of the following for the benefit of one or more persons in the area:
 - (i) health care;
 - (ii) education;
 - (iii) services relating to prevention of, or recovery from, domestic violence;
 - (iv) services relating to child protection;
 - (v) policing services;
 - (vi) emergency services;
 - (vii) essential services of a kind typically provided by local government, such as rubbish collection;
 - (viii) services, benefits, programs or facilities that the Chief Executive Centrelink has the function of providing;
- (b) providing correctional services in relation to one or more persons in the area;
- (c) providing funerary services in the area;
- (d) conducting, or taking part in, a sitting of a court or tribunal in the area;
- (e) operating, maintaining or repairing:
 - (i) equipment for providing electricity, gas, water, medical services or telecommunications services; or
 - (ii) other essential infrastructure in the area;
- (f) delivering food, fuel, mail or medical supplies in the area;
- (g) obtaining medical care or medical supplies in the area;
- (h) continuing the construction in the area of housing or transport infrastructure that was in progress immediately before the commencement of this instrument;
- (i) carrying out **mining operations (see below)**, or operations ancillary to mining operations, in the area in a manner that is agreed with a human biosecurity officer so as to minimise the extent to which other persons in the area are exposed to the persons carrying out those operations;
- (j) transporting freight to or from a place in the area.

mining operations includes operations for the extraction of oil or gas.

Symptoms means any one or more of the following:

- (a) a fever of 37.5 degrees or above; or
- (b) a history of fever (including symptoms of a fever such as night sweats or chills); or
- (c) symptoms of acute respiratory infection (including, but without limitation, shortness of breath, a cough or sore throat).
