

VESSEL VISITOR ACCESS

File ref: MAR76/
 Version: 1.2 / 183817
 Issue date: July 2020

The following information must be received for each vessel prior to berthing at the Port of Broome (preferably 24 hours or as early as possible). This form and any attachments (eg crew list, passenger list) should be submitted to security@kimberleyports.wa.gov.au and operations@kimberleyports.wa.gov.au. Visitors include but are not limited to: contractors, suppliers, surveyors, company reps, agents.

COVID-19 Update: for vessels arriving at the Port of Broome under the 14 day quarantine period (ie less than 14 days since the last interstate or international port), there can be no embarking or disembarking of any personnel (including vessel crew) unless there is express approval of the Harbour Master. Any visitors must be listed on the form below and are not authorised to access the vessel until this form is approved.
